

# ISON SPRINGS PE

## Mission Statement

To teach our students how to live a healthy lifestyle through lifetime activities and movements.

## Curriculum-

Students will get to participate and learn various activities, sports, and games throughout the year. Kindergarten and First Grade will focus more on basic movements and awareness of space. Second and Third Grades will focus more on basic skills of the activity and sport. Fourth and Fifth graders will focus on teamwork and gameplay of activities and sports.

## Grading

Our grade structure is as follows. Each student adds up to 100 points. 97 to 100 is A+ 94 to 96 is A and 90 to 93 is A-. B's C's and D's follow the same rubric. Below is how points are broken up. We have a variety of tests from, written, group, skills, and teacher observation. Grading points are lost if a student loses 3 rubber bands or has to bring home a behavior slip.

Participation: 60 points

Tests: 30 points

Behavior: 10 points
